SHOWCASE

The 2008 Spring Showcase will be held at Diablo Valley College on June 21st and 22nd. Dress rehearsal will be held on Friday, June 20th. Each class will participate in two shows, with the exception of combo classes, which will perform in one show only. A listing of which classes will perform in each show is posted on the wall across from the office and on each of the studio windows. Please note that this is merely a listing, not a show order. Show orders will be posted in June.

STUDIO PICTURES

Firestone Photography will be coming to the studio on Tuesday, June 17th to photograph all our students in their showcase costumes. Students will be photographed with their classes as well as individually. This is a “pre-dress rehearsal” – an opportunity to be sure all the students are wearing the proper tights, shoes, etc. In addition, it gives the instructor the opportunity to be sure all students are wearing their hair and costume accessories properly. Order packets will be distributed in class and a schedule of photograph times will be posted shortly. Be sure to mark the date on your calendar today!

COSTUMES

Costumes will be arriving soon. Your child’s teacher will have the students try on the costume when they are distributed. Please take the costume home and hang it in the closet. **DO NOT** allow your child to wear the costume around the house or to the

studio for class before the show. If the costume is damaged or soiled, it will not be possible to order another one in time for the show. The day the costumes are sent home, we will include an information sheet listing the show(s) that your child will be performing in and instructions for parents as to the proper tights, shoes, make-up, etc...

SHOWCASE TICKETS

Showcase tickets will go on sale Monday, May 19th. Tickets will be sold at the studio; sale times will be posted on the office window the first week of May. Be sure to purchase tickets early, as the shows do sell out.

IT’S A BABY GIRL!

Congratulations to Stretch and Pilates instructor, Molly Hills, who had a baby girl on March 26th. Baby Marlee was 7 lbs. and 19 inches long. Both mom and babe are doing great. We look forward to Molly’s return!

SUMMER SCHEDULE

Our summer schedule is now available. Classes will run for six weeks starting Monday, July 7th. We have a great selection of classes available for both children and adults. We will pro-rate if you are going on vacation during the session. Pick up a schedule from the office today!

DANCE CAMPS ARE BACK!

We are offering our very popular “dance camps” again this summer. These are age-appropriate and include dance, games, crafts and much, much more!

We offer “theme” day camps for children ages 4-6 and a one-week day camp for dancers ages 5-12. Check out the flyers around the studio or see a Studio A staff member for more information. It’s a great way to spend the hot days of summer! Register early, as these camps do fill up quickly.

AUDITIONS

The studio will be holding auditions for dancers interested in joining the Studio A Dance Company. This is a wonderful opportunity for the student who is interested in taking dance to the next level. Being a member of the company provides students with the opportunity to perform and compete throughout the year. Auditions will take place Saturday, June 7th. See times listed below. For more information, please see Aggie or call the office at 691-0505.

STUDIO A JACKETS

If you would like a Studio A jacket for your dancer or for yourself, now is the time to order. The jackets are black with the studio logo embroidered on the back. They are a great way to stay warm and make excellent birthday gifts. See the office manager for ordering details. Ordering deadline is 5/15/08.

PARTY SPECTACULAR!

Studio A offers creative and fun parties for your child’s birthday or other special events. We provide both themed as well as standard parties that are a hit for all ages. It is a fun and EASY way to celebrate your child’s special day! We provide invitations, paper products, a gift list, a special gift for the guest-of-honor, an enthusiastic party staff, and all set-up and clean-up. How much easier can it be??! Check out our birthday party flyers outside the office door, and see a Studio A staff member for details.
